Objective:

As a passionate, self-starter, courteous, enthusiastic IT professional and aspiring web developer with a strong educational foundation in web & app development, I am seeking a challenging web developer position where I can leverage my expertise in HTML, CSS, Bootstrap, jQuery, JavaScript, React.js, and my growing proficiency in computer programming to contribute to the success of a forward-thinking company. My career objective is to excel in web development by creating innovative and user-friendly web applications while continuously expanding my skills and knowledge in this dynamic field.

My portfolio showcases self-driven projects that reflect my commitment to web development excellence.

Education and Professional Development

Enterprise Web & Mobile Developer Diploma triOS College	Oct 2020 - Jan 2023
